PROFESSIONAL SUMMARY

Results-driven Administrative & Operations Professional with 4+ years of experience in administration, operations, and IT support across the UAE and the Philippines. Brings an ownership mentality, strong accountability, and a passion for improving processes, enabling team success, and delivering operational excellence.

PROFESSIONAL EXPERIENCE

Team Leader & Admin Coordinator – Unimar BLDG Services LLC

Aug 2024 – Aug 2026 | Dubai, United Arab Emirates

- Prepared 20+ operational, management, and inspection reports monthly, maintaining full audit readiness for Dubai Municipality reviews.
- Leveraged strong organizational skills and multitasking to coordinate daily schedules and attendance for 25+ technicians across multiple client sites, ensuring on-time service delivery with meticulous attention to detail.
- Maintained 100% documentation compliance and efficient document management systems, passing all Dubai Municipality inspections with zero non-conformities over two years.
- Served as central liaison for 30+ clients and vendors, resolving service delivery issues within 24 hours and strengthening client relationships.
- Monitored office inventory and equipment availability, reducing stockouts by 20%, and lowering procurement costs through vendor negotiation.
- Prepare quotations and service proposals, supporting a 15% increase in successful bid submissions.
- Proposed and enhanced U-Office, an internal CRM and office administration system, centralizing client records, service activities, technician schedules, documentation, meeting coordination, and follow-ups, reducing manual administrative tracking by 10% and improving operational efficiency.

Administrative Coordinator – Support Zebra

May 2018 – Mar 2024 | Cagayan De Oro City, Philippines

- Promoted from IT Help Desk Support to Administrative Coordinator in recognition of strong performance, technical expertise, and dependable service — expanding scope to office administration, records management, and data accuracy.
- Prepared reports and maintained administrative records and databases, ensuring high accuracy through consistent data entry and rigorous record maintenance protocols.
- Managed office resources, procurement, and vendor coordination, ensuring timely, cost-effective supply of materials through organized vendor management and accurate record-keeping.
- Delivered professional IT support, troubleshooting hardware and software issues across the organization, while managing IT assets with meticulous tracking to ensure data security and minimal downtime.
- Ensured data privacy compliance and secure records management, safeguarding confidential information through controlled access, regular audits, and adherence to organizational policies.
